Items needed for:

**Permit Application for construction related submittal:**

- Work plans/detail sheets/map or diagram of work area within the right-of-way
- If there are any type of traffic lane, pedestrian lane, or alley impacts we will need a MUTCD compliant traffic control plan with the permit.
- Copy of Certificate of Insurance
  - $500,000.00 in general liability coverage with “City of Lawrence, 6 E 6th St, Lawrence, KS 66044” listed as an additional insured
- $10 Application Fee, non-refundable (payment methods below)
- KDOT Right-of-Way Permit for locations along US-59, US-40, US-24, and/or K-10 (see next page for KDOT contact information for permits)

**Permit Application submittal for meter bag/no parking sign request ONLY:**

- Please note there is a two (2) meter bag/no parking sign limit for downtown per permit request (some exceptions may apply)
- $10 Application Fee, non-refundable (payment methods below)
- If there will be pedestrian lane closures we will need a MUTCD compliant traffic control plan with the permit.
- The charge for meter bags and no parking signs are $1-2, depending on type and situation. Meter bag/no parking sign charges are non-refundable. Once the bag/sign use is over we do not need the bags returned, please dispose of them.

-We send all permits through a City-wide review process to check for any potential conflicts with projects, infrastructure, events, transit routes, historic environs, etc.

-Certain work qualifies as an “Emergency Repair”. If you believe your work is an emergency, please make sure to include, in the permit description of work section, that the work is an emergency.

-If the requested work is being done on behalf of the City of Lawrence, the application fee will be waived for the permit. Please provide a valid contact with the City so that we can verify with that person that the work is being done on behalf of the City, and/or include all relevant documentation (bid number, City project number, etc.) within the description on the permit application. If meter bags or no parking signs are needed as part of your right-of-way request and the work is being performed on behalf of the City of Lawrence, there will be no materials cost for these items.
- We accept the following methods for payments of the application fee:
  1. Credit card payments through our online processing system at (https://ipn.paymentus.com/otp/stde/lwap) and selecting payment type of “Temporary Use of Right-of-Way”, an instant payment confirmation receipt is mailed to us and the email address associated with making the credit card payment.

- Permits cannot be approved until all items and payments are received, and following the review process.
